WHAT IS THE BEST PRACTICE WHEN I HAVE A/AN:

Small Medical Need

Use virtual health via our MPB Health app, to access primary care physicians, urgent care, behavioral and mental health, professionals.

Large Medical Need

When you're faced with a substantial hospital bill, call our MPB Concierge. They will guide you on how to access our Debt Dismissal Program which will negotiate directly with your provider on your behalf, and work to dismiss or reduce your outstanding balance under the program's terms—Provide your **Debt Dismissal code SS10610** to get started. If you're planning ahead and it's not an emergency, ask our MPB Concierge to help you find nonprofit hospitals in your area.

Disclaimer: The Debt Dismissal Program is a member benefit subject to eligibility requirements, program guidelines, and provider acceptance. Approval and the amount of debt dismissal are limited by the program's federal poverty guidelines, and members remain responsible for any charges not approved under the program

Mental Health Need

Mental Health services available via our MPB Health app. Visit with a caring mental health professional for depression, anxiety, or other concerns.

Urgent Care Need

Urgent care services available virtually through our MPB Health App when appropriate if/when it's not an emergency.

HOSPITAL DEBT RELIEF

Over 60% of Americans may be eligible for medical debt relief—and with more than 3,000 nonprofit hospitals across the U.S., many offer more compassionate billing practices to help ease the financial burden of care.

Our Debt Dismissal Program works directly with the hospital or provider to negotiate your bill and work toward reducing or dismissing the balance based on specific program terms.

Ask for Help Locating Nonprofit Hospitals:

If you're planning ahead and it's not an emergency, ask our MPB Concierge to help you find nonprofit hospitals in your area.
